

Sustainability report

Mission statement

Altron's mission is to:

- Be the leading South African-controlled information and communications technology and power electronics group that offers high-technology products and services of quality to global markets
- Generate profits and create shareholder value through outstanding customer service
- Remain dedicated to technological innovation
- Continue its commitment to the transformation process of South Africa through broad-based black economic empowerment initiatives
- Integrate sustainable development into our business at every level – our future depends on it.

We will achieve this through a motivated and loyal team that always:

- Places customer service first
- Has mutual trust and respect
- Prioritises quality, best practice and productivity improvement
- Adheres to the highest standards of integrity
- Aims at achieving excellence in financial and technical performance
- Takes pride in what we do and in being part of the Altron group.

Core values

- Customers
